Re: April Members Update

Good Evening,

We have had many updates since our last organizational update in February. Due to weather and other events effecting most of our officers, we did have to cancel our March Members Meeting as well as our March Update. I am proud to announce that as of 1 April, Mr. James Whalen has been active as our volunteer officer. James has served as a member of our Board of Directors since the implantation of the board. James was also one of our founding members of our organization. He will continue to serve as a board member.

During the months of February through the present we have consistently increased our call volumes for assistance. We now average of 2.8 calls per day (Up from 0.3 calls per day this time last year). On the unfortunate side, we have also been receiving a lot of inappropriate prank calls. To help protect our volunteers, each active volunteer will have an extension to our main number, which can be forwarded to any phone number within the US, so they can receive calls without giving their personal numbers. All active volunteers will be contacted by months end to have their extensions set up. More information on how our voice systems work will be gone over with each active volunteer.

We are currently seeking sponsors for our 2nd Annual Raffle. Sponsors can choose from which level of support they want to contribute and in turn they will have the company/name shown as a sponsor on all tickets sold and at all CTVO Summer Events. All sponsor requests need to be submitted by May 1. If you are interested in being a sponsor, please contact me at jcap@ctvo.org or call me at 877-628-8387x5 for more information.

With our increase in calls for assistance and the increased number of potential events (which most events we have not been able to attend due to lack of volunteers), we are actively seeking more volunteers to help/ If you are interested in volunteering, please contact our Volunteer Officer, James Whalen at jwhalen@ctvo.org or call him at 877-628-8387x7.

We have added some great links in VetConnect this month in the Career Assistance and Housing Assistance categories. Please check them out when helping a veteran in these categories. Starting over the next few weeks, we are going to become more active as an organization at community events. Please check out www.ctvo.org/VolHome or click on Member & Volunteer Home for a list of upcoming events. You can also check Facebook for events that have already been confirmed as a CTVO attending Event.

We would like to invite everyone to our next members meeting on Saturday April 17, 2010 at Noon. It will be held at Dunkin Donuts in New Britain. We do still have open positions on our Board of Directors. Please e-mail directors@ctvo.org if you are interested.

Sincerely,
